Dear Colleagues,

Acting on behalf of the Turin Bar Association we wish to strongly condemn the military aggression of the Russian Federation in Ukraine and to express our solidarity with our Ukrainian lawyers and Romanian colleagues assisting the victims of the war in Ukraine.

We have been informed about numerous aid initiatives taken by your Councils and directly by regional Bar Associations in Romania. The Turin Bar Association wishes to provide its support to activities aimed at providing free legal aid to Ukrainian refugees and persons detained during protests against the war in Ukraine.

Therefore, we would be grateful if you could suggest the most appropriate forms of such support that may be enacted by us, including the indication of selected fund raising

We remain at your disposal for any clarification, if needed.

Sincerely Yours

  
The President  
avv. Simona Grabbi
