Multilateral Internship Programme for Lawyers from Central, Eastern and South Eastern Europe 2011

Dear Mr. Ilie-Iordachescu,

Thank you very much for all your efforts in selecting the candidates for this year's internship programme for lawyers.

I am glad to let you know that both applicants – Mr. Ioan Radu and Mr. Iulian-Silviu Müller – will be granted a place in the internship programme. They have already received the invitations with further information on the organisational details of the programme.

Looking forward to continuing our cooperation I remain with many thanks for your assistance and with my best wishes,

Yours sincerely,

Andrea Gräfin Vitzthum
