INTERNATIONAL BARS SPORTS GAMES PARIS

The Paris Bar is delighted to organise the First International Bar Sports Games.

This major event will take place in Paris between the 8th and the 12th July 2019.

It aims to bring lawyer-athletes from around the world together, to represent their bar in the main Olympic disciplines, individually or in a team.

The second edition of this biennial event will be organised by another bar.

Besides the sports competition, an academic seminar will be held on topical areas of Law and Sports.

In the following document, you will find a copy of the programme as well as practical information.

We expect to meet many of you there, prepared and determined.

With kind regards,
